This Month — MARCH 2015

Wednesday 11 March:

PDG Harold Sharp will talk with us on membership — as at 31

December 2014 we are one of the four smallest Clubs in the District - Chatswood Sunrise 8 and Winston Hills 8, Berowra 10 and The Entrance 11. As the District Website says: Growth or Extinction?

“Addressing the humanitarian needs of the 21st century demands enthusiastic, dedicated, committed Rotarians. The real challenge of membership growth is to address the need to change both leadership styles and club cultures, to listen to members, and to respond to community needs.”

Reports from February:

- **RYLArians** — it was good to hear, once again, what a meaningful impact the week of RYLA has had on our three RYLArians. Berowra Rotary strongly supports RYLA, with good reason. We have always seen what a difference the experience, the skills learnt and the friendships formed make in the life of those we are able to send to RYLA.
- **lida—Lotta** — it was wonderful to be able to celebrate lida-Lotta's birthday, present her with a Bridge Climb Certificate, and to hear about the wonderful trip and holiday Tom and Yvonne arranged for her, as well as her visit from family friends She is certainly having some wonderful experiences while in Australia, and getting the most from them. We wish her well now that she is back at school for this term's work!
- **Funds and Fundraising** — we learnt that we are not flush with funds, and at this stage we do not have any firm plans for raising funds in addition to our two plant sales this year—which will have to be well supported to allow us to continue with all that we do. **More members, and more ideas are needed!!!!**

NATIONAL YOUTH SCIENCE FORUM

Berowra Rotary will once again sponsor a student to the NYSF in Canberra in January 2016.

NYSF is unique in Australia. Students during year 11 are selected to attend the NYSF the following year. They learn how to make informed decisions about courses and careers in the sciences and gain a professional skill set to help them realise their potential.

Pride of Workmanship/Community Service Awards:

Berowra Rotary Awards will be presented on 8 April - **please consider worthy awardees in both categories and present these to the Board.** This is one of our showcase nights and it is wonderful to be able to honour these people who do good in the community, and those who show pride in the workplace.

Mothers Day Plant Sale:

Hunt Reserve has been booked for **Saturday 9 May** (and Saturday 5 September). Susan Hunter is having fun and success potting succulents and would appreciate donations of 6/8cm terracotta pots (shallow).

BowelCare (formerly Bowelscan) is in its 25th year of service in Rotary District 9685. In order for the Program to continue its growth and benefit the community, Clubs in our Rotary District are asked to promote bowel cancer awareness by participating in the BowelCare Program.

Object of BowelCare

1. Develop a Community Awareness of the nature of bowel cancer.
2. Earlier detection of potential or actual bowel cancer.

Berowra Rotary will once again participate in this important Community Service project from 2 May to 27 June 2015.

PE Tom Borg

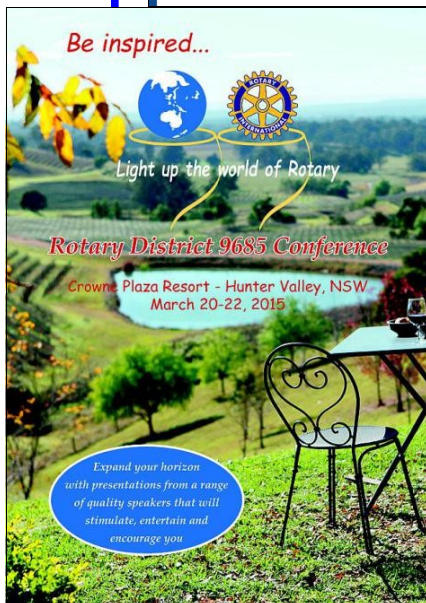

From District 9685:

DISTRICT CONFERENCE 2015 is almost here!!! 20 to 22 March, Crown Plaza Hunter Valley.

From our Club: Lida– Lotta, Tom and Yvonne, Peggy and Ian, Trevor and Jeanette, and Allan and Patricia will be attending. Once again from a small Club that is a good roll up.

District Governor Ian Scott and Jennifer say they aim to inspire, entertain and refresh our Rotary spirit with a program of great speakers and enjoyable entertainment. We will hear of the amazing projects and activities in our District and beyond, celebrate successes, and learn from others.

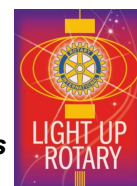

As usual we all hope to come back with a report to the Club — some of those we will hear:

- Kerry Chikarovski – Keynote Speaker – Road Safety Education
- Miriam Silva – Keynote Speaker – Diversity
- Dr Luc Mulimbalimba Masururu – Key Note Speaker – Maternal and Child Health
- Rebecca Barry – Breakout Session – I Am A Girl
- Peter Fitzsimons – Keynote Speaker – Peace

Most importantly do we have some costume activity underway for the Saturday evening — **“The Roaring 20s”** Swing along to the ‘20s music Dance the Charleston. The Charleston became popular in the 1920s, during the era of jazz music, speakeasies and flappers. It was danced to ragtime jazz music in a quick-paced 4/4 time rhythm, the dance quickly become a craze around the world. It was a physical representation of the uninhibited enthusiasm many of the young people of that generation wanted to express.
