## Reports from April:

President Trevor Bailey participated in the **PCYC** fundraising event in April and raised a very commendable \$705.

To mark ANZAC Day Robert (Bob) Dobson AFSM OAM the President Berowra RSL Sub Branch was our guest speaker on 22 April 2015 on the **Gallipoli Campaign** and the **Significance of ANZAC**. We welcomed several ex servicemen and women, and several previous members of the Club to the meeting. The Hon Philip Ruddock MP, Member for Berowra and Honorary Member of the Club sent his apologies, as did past member Stan Redden.

On ANZAC Day President Trevor and PE Tom jointly laid a wreath at the Berowra war memorial during the **Dawn Service**.

BowelCare (formerly Bowelscan) is in its 25th year of service in Rotary District 9685. Clubs in our Rotary District promote bowel cancer awareness by participating in the BowelCare Program.

**Berowra Rotary will once again participate in this important Community Service project from 2 May to 27 June 2015.**

### Object of BowelCare

1. Develop a Community Awareness of the nature of bowel cancer.
2. Earlier detection of potential or actual bowel cancer.

**Hornsby Rotary Club invites us to participate in the following:**

A colorful poster for a charity fundraiser. At the top, it says "CHARITY FUNDRAISER CASINO NIGHT" with a red heart icon. Below that, it lists "ROULETTE BLACKJACK POKER" with a roulette wheel icon. A large "WELCOME TO Fabulous LAS VEGAS" sign is the central focus. Text around the sign includes "HIGH ROLLER &amp; BEST DRESSED PRIZES", "SILENT AUCTIONS", "Theme: James Bond: Gangster, Vegas Style", "Sponsors: Asquith Golf Club, Asquith Bowling Club, Koala Wholesale Electrical, Tender Gourmet Butchery, Dick Stone Meats", "SATURDAY 9 MAY 2015 7 PM", "TICKETS: \$75", "CHARITIES ARE THE GUARANTEED WINNERS", "BOOKINGS ESSENTIAL", "DRESS TO WIN! ASQUITH GOLF CLUB", and "BOOK: HORNSBYROTARY.ORG PHONE: 1300 582 665". There are also icons of a spade, a red heart, a roulette wheel, and a club.

A poster for the Australian Rotary Districts Blood Drive. It features a red background with a large white "RED 25" logo. Below the logo is a photo of a man with a beard and glasses and a woman smiling. At the bottom, it says "1 APRIL - 30 JUNE 2015".

<b>Sunday 17 May</b>	Lovedale Long Lunch

**Lovedale Long Lunch:  
a food and wine trail event in the Hunter Valley  
Sunday 17 May 2015**

Hi Everyone,

This is a message to anyone who is interested in attending a social outing to The Lovedale Long Lunch at the Hunter Valley on **Sunday 17 May**.

Cost is \$85 per head which entitles you to vouchers for 2 entree meals, 1 dessert and sample wines at 3 pre-selected wineries. Extra cost involved for a mini-bus with driver for return trip to Berowra, so I will organise that once I have numbers and advise total cost to those attending.

This is a fun day out full of friendship, food, wine, dancing .....and you don't have to worry about getting home. Please don't hesitate to tell your friends if they would like to come along too.

To discuss further an advise attendance this needs to be done immediately (i.e. end April/beginning of May), either email me or message me on 0421 638 727. Further details will be advised.

More information can be found on the website : [www.lovedalelonglunch.com.au](http://www.lovedalelonglunch.com.au)

Cheers  
**Yvonne Borg**

Dear Tech Support,

Last year I upgraded from Boyfriend to Husband and noticed a distinct slowdown in overall system performance, particularly in the flower and jewellery applications, which operated flawlessly under Boyfriend. In addition, Husband uninstalled many other valuable programmes, such as Romance and Personal Attention and then installed undesirable programs such as Cricket, Football, Golfing and Continuous TV. Conversation no longer runs, and Housecleaning simply crashes the system. I've tried running Nagging to fix these problems, but to no avail. What can I do?  
Signed, *Desperate*

Dear *Desperate*,  
First keep in mind, Boyfriend is an Entertainment Package, while Husband is an Operating System. Please enter the command: 'http: I Thought You Loved Me.html' and try to download Tears. Don't forget to install the Guilt update. If that application works as designed, Husband should then automatically run the applications Jewellery and Flowers, but remember over-use of the above application can cause Husband to default to Grumpy Silence, Garden Shed or Beer. Beer is a very bad program that will download the Snoring Loudly Beta.

Whatever you do, DO NOT install Mother-in-law (it runs a virus in the background that will eventually seize control of all your system resources).

Also, do not attempt to reinstall the Boyfriend program. These are unsupported applications and will crash Husband.

In summary, Husband is a great system, but it does have limited memory and cannot learn new applications quickly. It also tends to work better running one task at a time. You might consider buying additional software to improve memory and performance.

We recommend Food and Hot Lingerie.  
Good Luck,  
*Tech Support*
