**ROTARY:
MAKING A
DIFFERENCE**

From DGE Peter Ward, 25 April 2017

A BIG thank you to all who participated in our 2017 District Assembly.

To those that looked after registration, catering, audio visuals, foot traffic and parking, to the presenters, the facilitators of the breakouts and especially to the team that made it happen – Christine, Jade, Marilyn, Peter. No small effort to pull together a program as broad as it was and to deliver it smoothly to 500+ people.

And a BIG thank you to all the attendees and participants in the day – your energy, enthusiasm and interaction are a credit to you. With Rotarians like you leading, there is no doubt your clubs will be *Making A Difference in 2017-18*.
Peter

President's Report

Hi All

As we come to the beginning of May we are in both Plant Sale mode, and 40th Anniversary mode. I would like to thank all of our members, fellows, partners and friends for their support over the past month. We have had a good month but also a very busy month with some major events such as the Combined Pride of Workmanship and Community Service Awards night. We participated in Anzac Day

where our Club was represented in the Berowra Anzac Day March and laying of a floral wreath at the cenotaph. Special thanks to Jan Childs for the lovely floral wreath that she, once again, made especially for the occasion, also to Jeanette Bakker for the flowers she provided.

Trevor Bailey, Richard Moore and I attended the PETS Seminar at Macquarie Graduate School of Management. Richard Moore, Jan Childs and I also attended District Assembly at the Kings School at North Rocks. Trevor Bailey and I also attended a 'Working With Children' Seminar on Saturday the 29 April, which was held at the Hornsby RSL Club. This seminar contained very important and relevant information pertaining to institutions such as Rotary. A representative from the Office of the Children's Guardian gave the talk, there were many questions asked and answered. PP Trevor Bailey will give a talk at our next meeting to try to explain what some of the many aspects of the Working With Children (WWC) programme is all about. (Unfortunately Yvonne and I cannot be there, as we will be leaving for Vanuatu on that day.)

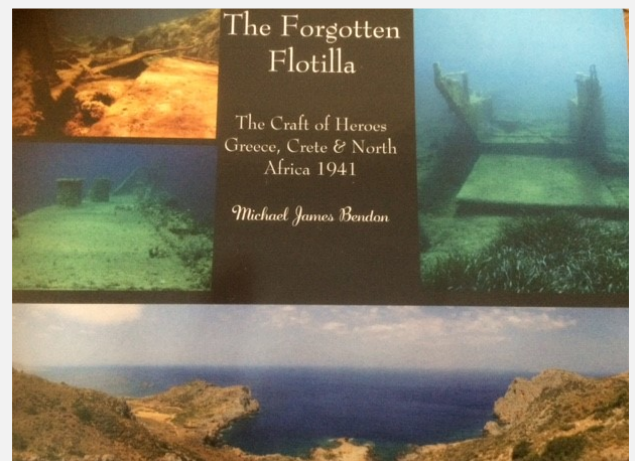

Berowra Rotary Anzac Wreath made by PP Jan Childs.

Our Pride of Workmanship and Community Awards night was a great success with our special guest speaker, RFS Asst. Commissioner Rebel Talbert, who gave a fantastic talk on the RFS and its relationship with Rotary, community and workmanship as well as presenting the plaques and certificates to the awardees. PP Jan Childs read out the citations for each awardee and PP Trevor Bailey was our MC for the night. Congratulations to each of our Awardees.

At our last meeting our guest speaker Dr Michael Bendon spoke to us about his latest research on "The Forgotten Flotilla". Past member Frank Childs introduced Michael and PP Trevor Bailey gave the vote of thanks. Some of the guests on the night included Mick Gallagher and his band of "Australian Order of Old Bastards" as well as one of our community service awardees, Eunice Allison, also came along to listen to Michael's talk. The talk was very interesting and no one minded that we went a little over time. A good number of his signed books were sold on the night.

Tom Borg,

Volunteers Expo

Would you like to:

Make new friends?

Help your community?

Have fun?

Put a smile on someone's face?

Learn new skills?

TRY VOLUNTEERING!

Come along to the Hornsby Volunteering Expo and find out about volunteering with your local community organisation

When: Tuesday 30 May 11am to 2pm

Where: Hornsby Mall near the fountain

Cost: Free

Local community organisations will be in the Mall to chat to you about joining them in offering such programs as home support and activities for elderly residents, activities for people with a disability, bush care, helping in an emergency, working in a charity shop, helping in a school, library or hospital, or supporting new migrants.

There will also be free cakes and scones, coffee vouchers, native plants and music to enjoy.

For more information visit hornsby.nsw.gov.au or volunteers@kmc.nsw.gov.au

Berowra Rotary has been invited to be part of this Volunteers Expo by providing a couple of volunteers to "man" a booth provided by the organisers to share the Rotary story with the community.

So far Trevor Bailey has volunteered. It would be good if we could have at least one more member to assist. Please let me know if you are able to assist.

Rotary Foundation named World's Outstanding Foundation for 2016

The Association of Fundraising Professionals recognized The Rotary Foundation with its annual Award for Outstanding Foundation at its 2017 conference in San Francisco.

The award honors organizations that show philanthropic commitment and leadership through financial support, innovation, encouragement of others, and involvement in public affairs. Some of the boldest names in American giving — Kellogg, Komen, and MacArthur, among others —are past honorees.

The announcement came on 15 November, known to industry professionals since the 1980s as National Philanthropy Day. The award was presented 2 May at the AFP's annual conference.

Rotary Foundation Trustee Chair-elect Paul Netzel accepted the award on Rotary's behalf, and Eric Schmelling, Rotary's chief philanthropy officer, also attended the conference. The event drew more than 3,400 senior-level fundraising professionals from 33 countries.

"In our Centennial year, we are deeply honored to receive this recognition from the Association of Fundraising Professionals," said Netzel.

AFP's committee of judges cited Rotary's comprehensive campaign to eradicate polio as a major driver of the selection.

"With the generous support of our members and partners, we've taken on some of the toughest humanitarian challenges in the world, none more so than the devastating disease of polio," said Netzel. "We will defeat polio, and it will be a landmark achievement for global public health."

The committee also mentioned that Rotary applies a methodical, purposeful approach to support a wide variety of causes, from providing clean water to educating the next generation of peace professionals.

"This award helps to spread our belief that service to humankind truly changes our world, and for that reason, it is the greatest work of life," said Netzel.
