## President's Report

Another busy month — our thanks to Jan Childs, and all those who assisted with the Mothers Day Plant Sale. Despite the hard work, a great day of fun and fellowship. Our thanks to Yvonne for organising another great social function at the Thai Restaurant.

Very pleased that we have been able to be connected with the Rotary Youth Hub which was officially opened on Sunday 27 May 2018 at the wonderful PCYC facility, and thanks to Jeanette, Jennah and Jan for representing the Club at the opening (see page 2).

We were pleased to welcome Joe Tokic to our last meeting. Joe spoke on railway signalling from manual to electronic; how the rail system works, and the complications involved in updating.

We also welcomed Mary Kendall and her daughter Kathy to the meeting to check us out! Nice to have Gil back from his holiday. And to wish not only Tom and Yvonne, but JP and Luiza a bon voyage!

Next meeting we will welcome a speaker from ROMAC.

ROMAC Rotary Oceania Medical Aid for Children is a multi-district Rotary project covering Australia and New Zealand. We will have a presentation on what they do and how they go about doing it. ROMAC has just celebrated 30 years of existence and have saved or transformed the lives of over

500 children from the Oceania area in that time.

Then at the last meeting of the year, we will have AG Bruce present, and Rich and I will present the 'Year in Review'

Trev.

### Travel Update, Rich and Kathy, May 2018

25 May: *Just got off the plane in Singapore, the sun has gone down, and it's 34C outside but nice inside my amazingly efficient 17th floor room. Gamely, I will take a shower as I look out at the city as the whole bathroom wall is glass.*

*Lots of activity has occurred since my last contact with you. Kathy and I after spending a few more days in London took the Eurostar to Brussels and drove for 5 days with highlights to include Brugge, Ghent, Delft, and a place with more tulips and tulip lovers than one could imagine. Returned to*

*Brussels and took the Eurostar to Amsterdam, speeding along at 289kph. Amsterdam was packed on a holiday weekend. Our "hotel" was a house built around 1720 and loaded with great antiques (including us). Two days there weren't enough, but we had to get to Copenhagen, where we spent 2 days before departing on our 10-day Road Scholar trip on the MS Zuiderdam. Our stops were Tallin, St Petersburg (2 days), Helsinki, Stockholm, Rostock, and Hamburg before returning to Copenhagen.*

*We flew back to London and Kathy then flew back to Chicago after 2 days. I stayed 2 more days and flew to Singapore. A few more days and I'll be back in Berowra.*

### Travel Update, Tom and Yvonne, May 2018

We have arrived in Malta and enjoying all it has to offer. Lots of history, war time stories and ancient rocks lol! An amazing country is this land of our heritage.

See you around the end of June.
